Growing in Faith

For many individuals with disabilities, church is a place where they can be themselves, where they can build friendships, where they feel loved. Part of the ministry at Able to Serve is to create that same loving atmosphere for our participants between Sundays.

Daily Devotion. At Able to Serve we begin each day with a time of devotion. In the past year nearly 20 different pastors have led us in devotion either virtually or in-person.

Church Groups. A number of local churches include Able to Serve in their mission weeks. We have hosted groups from Aversboro Baptist Church, C3 Church, Garner Christian Advent Church, Faith Community Church, and Fairview Baptist Church among others. Whether these groups came prepared with fun activities for our participants or simply joined in on the regular activities of our day, the relationships that these groups build with us are so meaningful to each participant.

Donations. Sixty percent of the cost for an individual to participate in our program is funded by the community. A portion of this funding comes from local churches who include Able to Serve in their monthly budget or their annual fundraising events.

Because of these connections within the local faith community our participants experience the love of Christ every day and grow in their faith.

Together on Mission

For the past 2 years, Fairview Baptist Church has included Able to Serve in their annual Love Our Locals missions week.

“Each year, Fairview Baptist church devotes one week to serve alongside our various church partners throughout the RDU area. This year, we had the privilege of sending 11 members of our church to serve at Able to Serve. For many, it was their first time visiting our friends there. All of us greatly enjoyed serving alongside the Able to Serve staff and volunteers while getting to play games, painting boxes for a missions project, packing bags of food for families, and sharing a meal with our Able to Serve friends. Already, we are excited for the next time we can come visit again.”

- Pastor Joshua, Fairview Baptist Church

“I am very blessed to be a member of Fairview Baptist Church and Able to Serve. I enjoyed watching my fellow church members interact with my ATS friends. It brought such joy to my heart knowing how much Fairview cared about us and our happiness. It was great to see all the smiles, and hear the laughter. I’m not really sure who had more fun that afternoon - Fairview or Able to Serve.”

- Becky Beasley, Participant at ATS and Member of Fairview Baptist Church
